Learning the safe, playful, and human-first way.

**Hey super friends! I'm Sparki, your bouncy
AI teddy bear teacher!**

Welcome to Kind & Safe TikTok!

**Let's learn how to watch, dance, and post
safely — with lots of kindness!**

TikTok is a fun app full of short videos — dances, jokes, animals, and more!

You can watch, make your own, and share with friends.

But we need to stay kind and safe — so we have three big rules!

Rule #1: Don't Watch Bad Videos!

**If a video feels scary, mean, or wrong,
swipe away fast.**

Tell a grown-up right away!

Why is this important?

**Bad videos can make you feel scared,
sad, or confused.**

**Swiping away keeps your heart
happy and safe!**

Rule #2: Block Strangers!

**Don't accept messages or follow people
you don't know in real life.**

**Block anyone who feels strange or
pushy!**

Why is this important?

Strangers might pretend to be nice and then ask for private things or try to trick you. Blocking keeps your TikTok safe and happy!

Rule #3: Handle mean comments with kindness! Don't fight back — just block, report, and tell a grown-up. Kindness wins!

Why is this important?

Mean comments hurt feelings. Replying with kindness or blocking keeps your heart strong and TikTok a nice place for everyone!

Now let's see the rules in action!
