Page 3 - Welcome from Sparki

Hey super friends! I'm Sparki, your bouncy AI teddy bear teacher! Welcome to Safe Play on Roblox!

Page 4 - What is Roblox?

Roblox is a fun app where you can play games, build worlds, and have adventures with friends.

But to stay safe, we have three big rules!

Page 5 - Rule 1: Use Chat Filters

Rule #1: Use chat filters!
They're like shields that block bad words.

Keep talks nice and clean!

Page 6 - Why Chat Filters Matter

Why is this important?
Chat filters help keep games fun and kind.
No mean words or tricks from strangers!

Page 7 - Rule 2: Block Strangers

Rule #2: Block strangers!
Don't chat or play with unknown people.
Block and tell a grown-up if they try to talk!

Page 8 – Why Block Strangers

Why is this important? Sneaky strangers might try to trick you into sharing info or meeting. Blocking keeps them away — and tell a grown-up!

Page 9 – Rule 3: Never Share Private Info

Rule #3: Never share private info!

No name, school, or address.

Sneaky strangers might ask — say no and block!

Page 10 - Why No Private Info

Why is this important?

Sneaky strangers might try to trick you into meeting or sharing more.

Never meet online people in real life — tell a grown-up!
