Hey super friends! I'm Sparki, your bouncy AI teddy bear teacher! Welcome to Safe Play in Fortnite!

What is Fortnite?

Fortnite is a fun game where you build, battle, and team up with friends. But to stay safe, we have three big rules!

Rule #1: Use privacy settings & voice chat filters!

**Only let real friends join your squad and turn on
filters to block bad words.**

Page 6 – Why Private Parties Matter

Why is this important?

Strangers and predators use open voice chat to trick kids. Private parties keep the game fun and safe!

RULE 2: BLOCK & REPORT TOXIC PLAYERS

Rule #2: Block & report toxic players! If someone is mean in voice chat or spams emotes, block them right away.

RULE 2: BLOCK & REPORT TOXIC PLAYERS

Rule #2: Block & report toxic players! If someone is mean in voice chat or spams emotes, block them right away.

NEVER SHARE INFO OR MEET IRL

Rule #3: Never share personal info or agree to meet IRL
Predators pretend to be kids to trick you.

WHY NEVER SHARE INFO OR MEET IRL

trick kids into sharing info or meeting in real life.
Always tell a grown-up!**
